Ph.D. Admission 2021-22

Notice for Special Course Work for Pre-Ph.D. 2021-22 Batch Students

This is for the kind information of all those Pre-Ph.D. course Work students who could not fill up examination form due to shortage of attendance or could not be admitted in Pre-Ph.D. Course Work 2021-22 that a special course work is being convened keeping in view the interest of the students. The Course Work will be conducted through online mode and most likely to be started from Second Week of June 2023. The Course work will be concluded in three months duration having four theory classes each day having two classes for each theory paper from Monday to Thursday. As usual, Friday will remain fixed for consulting library and Saturday will be the Mentor's Day relating to the third paper. You are further informed that in this connection, you need to fill up a form that will open between 5th June to 12th June 2023 through the research portal of the University website (dbrau.ac.in) and submit a fee of Rs. 10000/- (Ten thousand only). All rules and regulations to run this course work will remain the same as that of the main course work.

1st June 2023
